

Blenheim

GALLERY AND GARDEN

On the outskirts of Longford, just 30 minutes from Launceston, Blenheim Gallery and Garden is a unique Tasmanian experience showcasing artist works in a country garden setting. With five acres of gardens and stunning rural outlook, it is easy to spend an hour wandering the formal and park like grounds.

Blenheim Gallery and Garden displays five exhibitions per year, offers a range of makers workshops and at other times, is open by appointment to small or large groups. We have a venue which can be booked for corporate events and functions. A listing of current and future events is available on our website.

Offering not only beautiful artwork by local and national artists and crafts persons, Blenheim has a garden shop and is proud to stock brands including Burgon and Ball, Heaven in Earth and Sophie Conran.

With plenty to see and do, we hope to see you soon at Blenheim...
