George Brown Darwin Botanic Gardens

The name of the Gardens pays tribute to George Brown, Darwin's much loved and longest serving Lord Mayor who passed away in January 2002. As Curator he was instrumental in re-establishing the Gardens after 80% of its trees were destroyed by Cyclone Tracy in December 1974.

Opening Hours

Botanic Gardens
Gates Open
7am - 7pm Daily

Please Remember

- Place all rubbish in bins or take it away with you.
- Use the electric BBQ provided - no other fires permitted.
- All plants and animals are protected.
- Keep to lawns, paths and tracks.
- Dogs must be on a leash or be under effective control.
- There is a general risk of falling palm fronds, branches and debris. During high winds we advise you to seek shelter.
- Asbestos is present in areas of the Gardens. Do not handle or disturb anything that looks like asbestos as it may pose a serious risk to your health.
