

# Watarrka National Park

## Fact Sheet

Watarrka National Park (Kings Canyon) lies within the traditional lands of the *Matutjara* people. The park is jointly managed by the local Traditional Owners and the Parks and Wildlife Commission of the Northern Territory, who work together, sharing cultural and scientific knowledge to manage the Park.

The Park includes the western end of the George Gill Range. This scenic landscape of rugged ranges, rockholes and moist gorges acts as a refuge to a rich diversity of plants and animals. This makes the Park an important conservation area and a major visitor attraction in Central Australia.

### Access

**Park entry fees - Parks Pass applies (NT residents exempt).**

The Park is located southwest of Alice Springs and can be reached via a number of routes:

- via the Stuart Highway, Lasseter Highway and Luritja Road (sealed roads).
- via Larapinta Drive through Tjoritja / West MacDonnell National Park (sealed and unsealed roads). A Mereenie Loop pass is required to travel this route and is available from the Alice Springs Visitor Information Centre and Kings Canyon Resort (4WD essential).
- via the Stuart Highway, Ernest Giles Road (unsealed - 4WD essential) and Luritja Road.

### When to visit

The Park is accessible all year round. **See overleaf for access information during hot weather.**

The cooler months (April to September) are the most pleasant.

-  Overnight camping in tents or campervans is not permitted in the National Park (with the exception of hikers on the Giles Track).

Commercial motel and camping

accommodation is the only option available for visitors wishing to stay overnight at Watarrka.
