

The Yarram Water Tower

The last mural to be painted in the Yarram Heesco Town Art Trail, the Yarram Water Tower reflects Heesco Town founder Eric Greenaway's desire to showcase the magnificent tourism hotspots in and around Yarram. The bottom column features a GUNAİKURNAL design by local Elder Sandra Patten, featuring the five shields of the GUNAİKURNAL peoples. "I feel really honoured that Sandra has allowed me to paint her design on the tower." Heesco Khosnaran
