### 80 ACRES CAFÉ

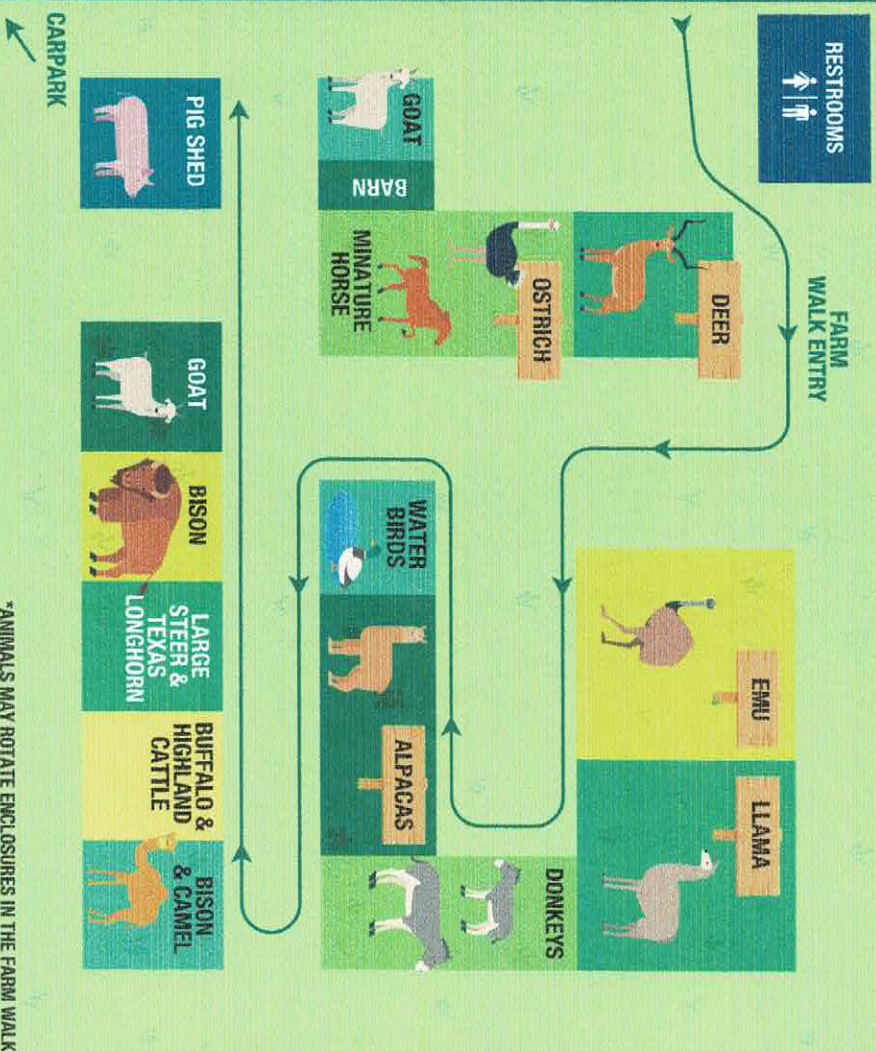

Nestled within the wildlife park is the **80 Acres Café**. It is a touch of downtown pleasure and comfort in the heart of Gunn's Plains offering that perfect spot to relax and enjoy the spoils of our creative team.

Whether it is that perfect cup of coffee you crave, with a slice of homemade cheesecake, or a Buffalo Beef Burger with a glass of Ghost Rock Pinot-Noir, **80 Acres Café** can cater for your every need in a relaxed environment.

Our menu is diverse and flexible, and we will cater for all forms of dietary needs, and we do not forget the younger members of the family with menu items and drinks for all ages. Large groups and parties can be catered for (advance bookings preferred) and the café is open to welcome you 7 days per week - closed Christmas day.

Sit by the fire in the "80 Acres Café" or outside in the Devil's Den - either will be a wonderful experience and our staff will be here to attend to your every need.

### ENJOY THE FARM WALK

### COME STAY AND PLAY

#### THE STABLES ACCOMMODATION

The Stables accommodation offers a range of units that can cater for groups of all sizes. Looking for an overnight stay as part of the Penguin to Cradle Walk, a family looking for somewhere different for the weekend, or a group of people wanting to catch up for that special occasion, "The Stables" can cater for all occasions. Fifteen rooms, with a range of beds and bunks, shared amenities and kitchen/dining room makes this the ideal space to catch up, chill out and enjoy all that Wing's Wildlife Park has to offer.

#### CAMPING

Wing's Wildlife Park provides camping opportunities that will meet the needs of all campers, regardless of how diverse those needs may be. Parking your van on the expansive grassed flats along the Leven River is something truly special. It's something you can only do during the warmer months when the flats are accessible, making this experience even more unique. Or move further into the park and hook up to a powered site and enjoy the comforts of home whilst enjoying the sounds of Wing's Wildlife Park.
