For your safety:

- Remember to tell someone when you are going and your estimated time of return. Two way radios are unreliable in this area.
- Roads in this area are true bush tracks. Be prepared for loose gravel, rough gullies and other drivers, 4WD vehicles are recommended.
- Please carry enough fuel and water
- Sandstone cliffs are dangerous to climb. Keep to the designated tracks.
- Be aware of changing weather conditions.
- Check with the Information Centre for the current road conditions.
