

Take it easy peasy, ocean breezy.

Treat this map as your friend and let it be your guiding light to our mini-yet-mighty golf course, not that we think you'll get lost!

It's amazing how good you'll feel after you've been exposed to The Elements.

Our unique day trip destination is for pleasure-seekers on a journey to uncover good times. When you discover the coast with the most, your only to-do list will be: eat, drink, golf, repeat.

Follow us on our socials [@theelements.activitypark](#) and [#theelementswyndham](#) to stay updated on what goes down at The Elements.

Looking to top off (or begin) your legendary day with some tasty indulgence? We hear you!

Head over to our friends at **3030 Boulevard** (the big shipping containers.)

Over there you'll find a delectable menu of food and drinks; think woodfired pizzas, cold drinks, cocktails, beers and burgers, all the while gazing into the stunning bay.
