Ready to get started?

Kids, it's time for you to choose!

Buckle up and get your grown ups to take you out for a day of adventure in the Swan Valley!

To get started, every explorer needs to read the brochure and choose **three** things on their adventure:

- An adventure activity
- A lunch stop, and
- A treat stop!

You can choose to visit a wildlife park, a cuddly animal farm or a reptile park. Or you can decide to go on a bush walk, play a game of mini golf, ride a train or play at a mini water park.

Then, choose a lunch stop where the grown-ups can pack a picnic or order from the kids menu and then for the yummiest part, choosing a chocolate and ice cream treat stop!

Sounds like fun, doesn't it?

Follow the fun map. Play **I Spy** and mark how many things you find along the way and at the places you visit.
