Malachi Martin was a stage coach driver who, in the mid-1800's travelled the Kingston to Encounter Bay route. Jane McInamen, a servant girl working for Martin's wife at the Salt Creek Tavern, went missing. Eventually her body was found and Martin was arrested for murder. The inquest was held at Woods Well Tavern while Martin was chained to a table. He was found guilty and hung in 1862.

Jane McInamen's Grave
