

Sheep Art Trail

Take a walk through our long paddock and enjoy our sheep art trail. The sheep have been painted by Kaniva people aged 8 - 80, to acknowledge the importance sheep have played in our past and present. Each sheep tells a story and links to a place or community group. Upload your pics to social media using #Kaniva and #SheepArt. Don't forget to keep an eye out for the tiny windmill that is hidden on each one.

NB. They are not designed to be sat on, so please help to look after our flock!
