Award-winning, hand-crafted beers

Three Rivers Brewing Company is a family owned urban brewery located in Mandurah's light industrial area. Our philosophy is a simple one... We've had enough of mass-produced beer, made from cheap ingredients and we think the beer-loving public deserves better. Using only the finest ingredients and traditional brewing methods (no filtering or pasteurization, or additives) we offer you great beer for take-away or enjoying in the tap room.
