RULES OF THE TRAILS

- RISE ON OPEN TRAILS ONLY** Trails are closed for safety reasons and maintenance reasons. Please respect closed areas and always advise staff, guides and rangers.
- PROTECT YOURSELF** Use an appropriate bike helmet and protective equipment and wear always safety shoes. Always ride with care and be fully in control of your bike.
- CONTROL YOUR BIKE** You are responsible for avoiding obstacles and people.
- KNOW YOUR LIMITS** Respect your ability. Start slow and your own safety is paramount. Be sensible not to encourage children under 12 to use these trails.
- INSPECT TRAILS & FEATURES** A signline will be placed in simple, unobstructed areas of mountain views, such as gaps in trees. However, this does not mean the conditions and your riding ability and skills are improved.
- RESPECT THE TRAIL AND WORK OF VOLUNTEERS** Do not start through beams. Do not cut trees, lines or poles, short cuts. Do not make changes to official trails, tracks, or other features.
- BE VISIBLE** Please show where you ride, the trail, a trail marker or other sign that is visible to approaching riders.
- LOOK OUT FOR OTHERS** Please wear your seat belt, use a helmet, a first aid kit, and other safety equipment. Please do not drink and ride. Please do not ride under the influence of alcohol or drugs.
- REPORT SAFETY CONCERNS** Trail conditions change frequently. Please report any safety concerns you may have by emailing the club. You can also report it on our Facebook page or on Trailforks.
